

Dear Parents,

We want to thank you for having your family be a part of our Park Shore Family this summer. As your child's session comes to an end, we are confident in knowing they enjoyed themselves while making new friends and developing new skills.

We have received many thank you notes and calls from parents who are grateful that their child's division leaders, group leaders and counselors have worked so hard to form wonderful relationships that are unique to a summer camp experience. In addition, their science instructor and assistants have helped them learn new 21<sup>st</sup> century skills which will help them in their future.

Many parents have called to get guidance in giving gratuities at camp. We have offered suggested amounts but as always, the decision and/or amount of the gratuity for a staff member is completely up to you. Since your child had a science staff, please decide how to divide your gratuities accordingly. Any expression of thanks is greatly appreciated by our staff.
