

EXPLORER RULES AND REGULATIONS

Park Shore's Travel Program Rules are designed to ensure a supportive, welcoming environment for each Explorer camper. Our program aims to operate on the principles of honesty, compassion, respect for others, personal responsibility and safety. Travel campers, and staff alike, are encouraged to lead by example to ensure a wonderful camp experience for all. The Park Shore Explorer Travel Program is designed to provide your child with the safest, healthiest, and most enjoyable summer experience available anywhere. Our unparalleled record for providing this unique experience depends upon several factors: First is Park Shore's research and pre-visits to numerous destination sites, our mature and experienced staff, and the requirement that all campers strictly follow the rules and procedures designed for their safety. Parents and campers must agree to follow our program rules. Registration in this program signifies the agreement to these conditions of registration.

- Appropriate behavior is expected at all times. Cooperation is expected on our bus trips as well as our destination sites. Any financial damage to the hotels is the responsibility of the individual's parents. Shaving cream and silly string are prohibited and parents are asked to check their child's suitcase for any inappropriate materials before coming to camp.
- Handheld games/individual music players may be used on bus trips when announcements are not being made. However, we are not responsible for any loss or damage. These items should not be used during an activity and should be kept out of sight.
- Cell phones are NOT allowed at camp or on most of the trips. Campers may bring cell phones on all overnight trips and Great Adventure. They can only use them as instructed by their Director and staff. Parents will be given their Director's cell phone number in case they need to contact him/her or their child.
- Appropriate dress is required. We ask our Explorers to wear sneakers every day except when we have a trip which involves water such as a water park, beach, or canoeing. If time permits before or after a trip, we play sports on the camp grounds. Campers will be given travel shirts. It is very important that they wear these shirts when indicated in our weekly newsletter. Please do not alter the travel T-shirts in any way.
- When our bus returns from a late trip or overnight, we ask parents to park in our parking lot and pick up their child in the Food Emporium. Please allow us to unload the bus and we will escort the campers from the bus to the Food Emporium. At that time, campers will be dismissed. **(ALL PARENTS MUST SIGN OUT THEIR CHILD BEFORE LEAVING)**
- If your child is being picked up early or at dismissal, please provide a note or call the camp office first thing in the morning. Any afternoon social plans should be prearranged before camp. Also, campers should not be picked up from a location other than camp unless the camp has been notified beforehand.
- Any medical, dietary, or social concerns should be shared with your child's Director. It is important for us to know if your child has any special needs which will impact them during their time with us.

THE FOLLOWING ARE PROHIBITED
