

Super Senior Travel Program Rules

Park Shore's Travel Program Rules are designed to ensure a supportive, welcoming environment for each camper. Our program aims to operate on the principles of honesty, compassion, respect for others, personal responsibility and safety. Travel campers, and staff alike, are encouraged to lead by example to ensure a wonderful camp experience for all.

Each summer we create an amazing experience for our Super Seniors filled with excitement and fun every day. They will be on the Park Shore facility three days each week and will travel to local destinations two days each week. We have specific rules and regulations from our Super Senior Director, Travel Staff, Restaurant Personnel, Amusement Park Security, and Bus Drivers when we are traveling off the Park Shore facility to insure the safety and welfare of everyone on our trips while providing for their overall comfort and enjoyment. Please read the following list with your child so they understand the importance of what is expected from them when at Park Shore.

General Behavior

Our Super Senior campers are going to have a great time this summer and make many new friends. We encourage an atmosphere of respect, trust, and consideration in relationships with fellow Super Seniors and Travel Staff. Friendliness, openness, and politeness are qualities that will make for a great summer. We encourage our Super Seniors to be flexible and have a positive attitude. A negative attitude, rudeness, impatience, lateness, and profanity are behaviors that will not be tolerated. Campers should not be picked up from a location other than camp unless the camp has been notified beforehand.

General Participation

The Super Senior Program is filled with exciting activities which will keep everyone busy. Super Seniors are required to participate in all scheduled activities unless medically approved.

Electronic Devices

We recommend that electronic devices not be brought to camp. Cell phones are NOT ALLOWED at camp or on trips. If campers need to call their parents, they can use their Director's cell phone. Parents will have the Director's cell phone number if they need to contact their child while on a trip. Electronic devices create distractions and can possibly be lost or damaged. Park Shore will NOT be responsible for any lost or damaged electronic device brought to camp.

Dress

Appropriate dress is required. We ask our Super Seniors to wear sneakers every day except when we have a trip which involves water such as a water park, beach, or canoeing. Super Seniors are required to wear their travel T-shirt when leaving Park Shore grounds.

IT IS OUR INTENTION TO HAVE A GREAT TIME WITH EVERY SUPER SENIOR AND CREATE A SUMMER FILLED WITH EXCITING MEMORIES AND NEW FRIENDSHIPS.

We appreciate your cooperation with following these guidelines and know that each traveler will have a summer filled with exciting trips and lasting memories. Each summer we become a family and treat each other with respect. Any medical, dietary, or social concerns should be shared with the Super Senior Director, Reid Solomon. It is important for us to know if your child has any special needs which will impact them during their time with us. Please feel free to contact us at any time if you have any questions or concerns.
