

Dear Parents,

As your child's session comes to an end, we have watched the wonderful relationships that have formed between our campers and their staff.

We have received many thank you notes and calls from parents who are grateful that their child's division leaders, group leaders and counselors have worked so hard to form wonderful relationships that are unique to a summer camp experience.

Any expression of thanks is greatly appreciated by our staff. Many parents have called to get guidance in giving gratuities at camp. We have offered suggested amounts but as always, the decision and/or amount to tip a staff member is completely up to you. Any expression of thanks is greatly appreciated by our staff.
